

«Thermaflex Insulation +» Ltd**Re: Porfolio change 2022****Dear Business Partner,**

We would like to inform you that from January 1, 2022 Armacell is going to phase out ACE and ACE+ product groups from your price list.

As an alternative we propose ArmaFlex XG, ArmaFlex AF product groups and recently implemented to your offer Oneflex product range. We believe that all above products and other in extensive Armacell portfolio can be successfully promoted in Russia with your, and your customers support.

Thank you for effort , we look forward to continuing our positive and successful collaboration in 2022.

Yours sincerely,

Mariusz Barankiewicz
